If these clients have already purchased an e book from you, ask for his or her opinion when it comes to price. As a substitute, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other strategy is to test out prices by making a variety of duplicate gross sales pages with totally different prices on each page. Be sure your sales copy is exactly the identical on each web page, and consists of your selling-deal with sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. This can inform you what your optimum worth is.
