If you happen to *Canadian Lifeguard Manual* value it too high when put next with your competition, you will discover your self steadily reducing the price, which can trigger you all kinds of new issues in the future.

Choosing the right worth on your **Canadian Lifeguard Manual** e book is likely one of the most important parts of the advertising process. The first rule of pricing ebooks is to by no means underprice. Decide the best price your audience can afford, after which if you happen to discover your book isn't selling, you possibly can at all times scale back the price. Earlier than you are taking that step, make sure you are promoting your Canadian Lifeguard Manual e-book like loopy on the Internet and on websites. The price must be aimed toward bringing in profits, but you must never overlook that worth is among the factors that individuals use in judging the worth of your *Canadian Lifeguard Manual* book ? earlier than they buy it. So always begin with the very best worth, and then launch a mega-advertising campaign.

Pricing an book is especially tough because ebooks are a reasonably new commodity. Since they're digital, the value of an book is as complicated because the understanding of what digital actually

is to the common layperson. Which means we should look at ebooks in a distinct light with a view to decide their precise value on this courageous, new cyber world.

Let's look at the distinction between a book in print and an ebook. A printed e-book is an object you possibly can hold in your hand, store in your bookshelf, even hand down to the subsequent generation. It's priced on elements such as paper inventory, design and production prices, and marketing.

But the fact that unites ebooks and print books is that they're composed of ideas. It's the concepts in these books that have the ability to change, or probably transform, individuals's lives.

What do you suppose an concept is worth when evaluated towards the cost of paper and ink?

It's the IDEAS that are priceless! That is the way you decide the price of your ebook.

What ought to I cost for my ideas?

There are all different formulas and strategies for figuring out the right value on your ebook. Let's begin with honing in on your final goals.

Decide in case your goal is to get broad distribution and most exposure. This aim is aimed toward drawing prospects to your business or service, or to establishing the credibility of your reputation. If that is your fundamental goal, you should aim to maintain your value on the low side. Some authors have even priced their ebooks at a revenue loss to draw a high variety of new customers. The secret's to find a price that maximizes your earnings and the variety of books you sell.

This is a superb pricing strategy if you're seeking to purchase lengthy-time period customers. Long-time period prospects are extraordinarily doubtless to purchase from you again and again ? as long as the first e-book they buy is of exceptional quality and useful to the customer.

Nonetheless, in case your book contains invaluable ? and more importantly NEW info, references, or methods ? then it's best to aim to price it on the high end.

After you figure out your goal, it's essential to figure out what your viewers's need is in your ebook. For instance, does your guide solve a specific drawback? If it does, and solves it in a way that hasn't been written about in one hundred different ebooks, you will be capable of achieve high

sales at an excessive price. In case your ebook solves a problem or solutions questions in a new and distinctive manner, it's best to value your guide as high as you may go. You will achieve larger earnings this way, however bring in fewer customers. Simply make sure the query or downside that your book solves is one that is necessary and relevant to the vast majority of your market audience. If your ideas aren't widespread knowledge, or you are presenting a brand new method, you will be able to sell books at a high price. Simply be prepared to your competitors to undercut you on value as quickly as they hear about your book.

Take into account that the above pricing strategy is temporary. Ultimately, you'll cease to promote books at this excessive price. So determine in advance how long you plan to offer your book at this excessive worth, and when that point is up, change your pricing strategy.

If you wish to see giant earnings over buyer draw, purpose for an viewers that's searching for easy solutions to their issues at a low price. In case your ebook is geared toward solving one particular problem moderately than common recommendation, then you possibly can cost more. Begin on the highest worth the market will bear to bring in the largest income, and plan to discount the book a number of occasions throughout the year.

Advertising and marketing Strategies

The important thing that unlocks the gross sales potential of your ebook is to find a single sentence that turns into your promoting handle. This sentence states what question or problem your e-book solutions and the advantages your book can provide. Then be sure to use that sentence in every

piece of gross sales and promotional materials, and each time anybody asks you about your ebook.

Besides promoting your books assiduously online, there are several other methods that may assist you to promote extra books.

One is to provide something away free of charge with your ebook, equivalent to a helpful bonus item. Or bundle several ebooks beneath one worth, which lowers the worth for every book in the event that they have been offered separately.

An efficient method for determining a value is to ship out a survey to your current customers. If these customers have already bought an ebook from you, ask for their opinion in terms of price. Do this by creating a sales page for the brand new ebook, however don't embody a value on that page. As a substitute, add plenty of hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by making a variety of duplicate sales pages with totally different costs on each page. Make sure your sales copy is precisely the similar on every web page, and includes your promoting-handle sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. It will tell you what your optimum price is.

Ultimately, when you've written a e book that solves a problem or presents a new approach, your e book will herald each site visitors and profits. So be sure to write that promoting-handle sentence that sums up what drawback your guide solves and what the advantages of your *Canadian Lifeguard Manual* book will probably be to the purchasers who purchase it. And then watch your market come to you!
