After you determine your purpose, you must work out what your audience's need is to your ebook. For example, does your book resolve a specific drawback? If it does, and solves it in a way that hasn't been written about in one hundred other ebooks, you may be able to achieve excessive gross sales at a excessive price. In case your e-book solves an issue or solutions questions in a new and unique method, you must value your ebook as excessive as you may go. Start on the highest value the market will bear to bring in the largest earnings, and plan to low cost the ebook a variety of occasions throughout the year.

Make sure your sales copy is strictly the similar on every page, and contains your promoting-handle sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. This can tell you what your optimum value is.
