An efficient method for determining a worth is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the brand new ebook, but don't include a worth on that page. Instead, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with different prices on every page. Be sure that your sales copy is precisely the same on each page, and contains

your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your web site and gross sales of your book. This will tell you what your optimum value is.
