An effective technique for figuring out a price is to ship out a survey to your present customers. If these customers have already purchased an book from you, ask for his or her opinion by way of price. Do this by creating a sales page for the brand new e book, however do not embody a value on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to test out costs by creating a number of duplicate sales pages with totally different costs on each page. Ensure your sales copy is exactly the identical on every web page, and

includes your selling-deal with sentence. Then work out for every page the conversion ratio between guests to your site and sales of your book. It will inform you what your optimum price is.

In the end, for those who've written a e-book that solves a downside or presents a brand new technique, your book will bring in both site visitors and profits.
