Do that by creating a gross sales page for the brand new book, but do not include a value on that page. Instead, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another strategy is to test out costs by making a number of duplicate sales pages with totally different costs on every page. Be sure your sales copy is exactly the similar on each page, and

consists of your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your web site and gross sales of your book. This may tell you what your optimum value is.

Ultimately, if you happen to've written a guide that solves a drawback or presents a brand new method, your guide will herald each traffic and profits.
