Do this by creating a sales web page for the brand new e book, but do not include a worth on that page. Instead, add various links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

totally different costs on every page. Be certain that your gross sales copy is strictly the similar on every web page, and includes your promoting-handle sentence. Then figure out for each web page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum worth is.

In the end, for those who've written a e-book that solves a problem or presents a new method, your e-book will bring in each site visitors and profits.
