Do this by making a gross sales page for the brand new book, but do not embody a price on that page. As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other technique is to test out costs by creating a variety of duplicate gross sales pages with different prices on every page. Be sure that your sales copy is strictly the same on each web page,

and includes your promoting-deal with sentence. Then determine for every page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum worth is.

Finally, for those who've written a e-book that solves a problem or presents a brand new approach, your guide will bring in each site visitors and profits.
