As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by creating a variety of duplicate sales pages with different costs on each page. Be certain your gross sales copy is exactly the similar on each page, and

includes your promoting-handle sentence. Then work out for every web page the conversion ratio between guests to your web site and sales of your book. This will tell you what your optimum worth is.
