This sentence states what query or problem your e-book solutions and the advantages your e book can provide. Then be sure you use that sentence in every piece of sales and promotional materials, and every time anybody asks you about your ebook.

Apart from promoting your books assiduously on-line, there are a number of other methods that can allow you to promote more books.

One is to provide one thing away at no cost with your e-book, equivalent to a priceless bonus item. Or bundle several ebooks beneath one value, which lowers the worth for every e book in the event that they were offered separately.

An efficient technique for figuring out a value is to ship out a survey to your present customers. If these clients have already bought an ebook from you, ask for his or her opinion in terms of price. Do this by creating a gross sales web page for the new guide, but don't include a worth on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another strategy is to check out prices by making a number of duplicate gross sales pages with completely different prices on each page. Ensure that your sales copy is exactly the similar on

every web page, and consists of your promoting-handle sentence. Then determine for every web page the conversion ratio between visitors to your website and sales of your book. This will inform you what your optimum worth is.

Ultimately, in the event you've written a e-book that solves a problem or presents a new technique, your book will bring in both visitors and profits. So make sure to write that promoting-deal with sentence that sums up what problem your book solves and what the benefits of your 2041 e-book will be to the shoppers who purchase it.
