One other strategy is to test out costs by making a variety of duplicate gross sales pages with totally different costs on each page. Be sure your gross sales copy is strictly the identical on

each web page, and consists of your selling-handle sentence. Then work out for every page the conversion ratio between guests to your web site and gross sales of your book. This will inform you what your optimum price is.

Finally, should you've written a ebook that solves a drawback or presents a new technique, your guide will bring in both site visitors and profits. So make sure you write that selling-handle sentence that sums up what downside your ebook solves and what the advantages of your 2137 ebook can be to the shoppers who purchase it.
