Do this by creating a gross sales web page for the new e book, however don't include a value on that page. As a substitute, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another technique is to check out prices by making a number of duplicate sales pages with completely different prices on each page. Make certain your gross sales copy is precisely the similar on each

web page, and consists of your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your web site and gross sales of your book. This can tell you what your optimum worth is.
