An effective technique for figuring out a worth is to ship out a survey to your current customers. If these clients have already purchased an e book from you, ask for their opinion by way of price. Do that by making a gross sales web page for the brand new book, but do not include a price on that page. As a substitute, add a lot of links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other technique is to test out prices by making a number of duplicate gross sales pages with different prices on every page. Be certain your sales copy is precisely the similar on each web page, and includes your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your site and sales of your book. This may tell you what your optimum price is.

In the end, if you've written a ebook that solves a problem or presents a new method, your guide will usher in each site visitors and profits.
