One other technique is to test out prices by creating a variety of duplicate sales pages with different costs on each page. Be certain your gross sales copy is strictly the similar on every web

page, and includes your promoting-deal with sentence. Then work out for each page the conversion ratio between visitors to your site and gross sales of your book. It will let you know what your optimum value is.

In the end, in the event you've written a ebook that solves a drawback or presents a brand new method, your e book will usher in each traffic and profits.
