An efficient approach for determining a worth is to ship out a survey to your present customers. If these customers have already purchased an ebook from you, ask for his or her opinion in terms of price. Do this by making a gross sales page for the new ebook, however don't embrace a value on that page. Instead, add quite a few hyperlinks to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

Another technique is to check out prices by creating a variety of duplicate gross sales pages with totally different costs on every page. Be sure your gross sales copy is strictly the same on each

web page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between guests to your web site and sales of your book. This may inform you what your optimum worth is.

In the end, if you've written a guide that solves a problem or presents a new technique, your guide will herald each traffic and profits.
