Do this by making a gross sales web page for the new ebook, but don't embrace a price on that page. As a substitute, add various hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out costs by making a variety of duplicate gross sales pages with totally different costs on each page. Make certain your sales copy is exactly the similar on each web page, and includes your selling-deal with sentence. Then figure out for every web page the conversion ratio between visitors to your site and gross sales of your book. This can let you know what your optimum worth is.

In the end, should you've written a guide that solves a drawback or presents a brand new method, your ebook will usher in each site visitors and profits.
