If these clients have already purchased an e-book from you, ask for their opinion when it comes to price. Do this by creating a gross sales page for the brand new book, however don't embrace a price on that page. Instead, add quite a few links to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

Another strategy is to test out prices by creating a variety of duplicate gross sales pages with completely different prices on each page. Ensure your sales copy is precisely the identical on each

page, and contains your promoting-deal with sentence. Then work out for each web page the conversion ratio between guests to your web site and sales of your book. This can inform you what your optimum value is.

In the end, should you've written a e-book that solves a downside or presents a new approach, your guide will bring in each traffic and profits.
