and promotional materials, and each time anybody asks you about your ebook.

As a substitute, add a number of hyperlinks to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

Another technique is to test out prices by making a number of duplicate sales pages with different prices on each page. Be certain that your gross sales copy is precisely the identical on every web page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between visitors to your website and sales of your book. This will let you know what your optimum price is.
