Then be sure you use that sentence in every piece of sales and promotional material, and every time anybody asks you about your ebook.

Besides promoting your books assiduously online, there are a number of other methods that can make it easier to promote extra books.

One is to present one thing away free of charge with your guide, equivalent to a helpful bonus item. Or bundle several ebooks below one price, which lowers the price for each e-book in the event that they have been sold separately.

An effective method for determining a worth is to ship out a survey to your current customers. If these prospects have already bought an e book from you, ask for their opinion when it comes to price. Do this by making a sales web page for the new e-book, but do not include a price on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another strategy is to check out prices by creating a number of duplicate gross sales pages with totally different prices on every page. Be certain that your gross sales copy is precisely the identical on each page, and includes your selling-handle sentence. Then work out for each web page the conversion ratio between visitors to your website and sales of your book. This may let you know what your optimum price is.

Finally, in the event you've written a ebook that solves a problem or presents a brand new technique, your e book will usher in both visitors and profits. So you'll want to write that promoting-deal with sentence that sums up what problem your book solves and what the advantages of your 356 guide might be to the customers who buy it.
