An efficient method for determining a worth is to ship out a survey to your present customers. If these prospects have already purchased an e book from you, ask for his or her opinion when it comes to price. Do that by making a sales page for the new e book, but don't include a price on that page. Instead, add plenty of links to survey questions that ask pointed questions to aid you in assigning a price to your ebook.

One other strategy is to check out costs by making a variety of duplicate sales pages with different prices on each page. Make sure that your gross sales copy is strictly the identical on each page,

and contains your selling-deal with sentence. Then determine for every web page the conversion ratio between guests to your website and sales of your book. It will tell you what your optimum worth is.

Finally, in case you've written a e book that solves a problem or presents a brand new approach, your e book will herald both traffic and profits. So make sure to write that selling-handle sentence that sums up what problem your e-book solves and what the benefits of your 476 book will likely be to the shoppers who purchase it.
