price. Do this by creating a sales web page for the new book, however do not embody a value on that page. As an alternative, add a variety of links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other technique is to test out costs by making a number of duplicate gross sales pages with totally different prices on every page. Make certain your gross sales copy is strictly the similar on every page, and contains your selling-handle sentence. Then figure out for every web page the conversion ratio between guests to your website and gross sales of your book. This can inform you what your optimum value is.

Finally, if you've written a book that solves a problem or presents a new technique, your e-book will bring in both visitors and profits. So make sure to write that selling-handle sentence that sums up what downside your e-book solves and what the benefits of your 543 e book might be to the customers who buy it.
