Do this by making a gross sales web page for the new e-book, however don't embrace a price on that page. Instead, add quite a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to check out costs by creating a variety of duplicate gross sales pages with different costs on every page. Be certain your gross sales copy is exactly the same on each web

page, and contains your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This can inform you what your optimum value is.

Ultimately, in the event you've written a e book that solves a problem or presents a brand new approach, your ebook will herald each traffic and profits.
