If these clients have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by creating a gross sales web page for the brand new book, but do not embody a worth on that page. Instead, add quite a few links to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to test out costs by making a number of duplicate sales pages with totally different costs on each page. Ensure your sales copy is strictly the similar on each page, and

consists of your selling-handle sentence. Then figure out for each page the conversion ratio between guests to your website and sales of your book. This may tell you what your optimum worth is.

Finally, should you've written a e book that solves a problem or presents a brand new method, your guide will herald both traffic and profits. So you'll want to write that selling-handle sentence that sums up what problem your guide solves and what the advantages of your 660 e-book can be to the purchasers who purchase it.
