If these customers have already purchased an book from you, ask for his or her opinion when it comes to price. Do that by creating a sales web page for the brand new e-book, however don't include a value on that page. As an alternative, add numerous links to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

One other strategy is to test out prices by creating a variety of duplicate sales pages with totally different costs on each page. Make sure that your sales copy is strictly the same on every page, and

includes your promoting-deal with sentence. Then figure out for each web page the conversion ratio between guests to your web site and sales of your book. It will tell you what your optimum price is.

Ultimately, if you've written a guide that solves a downside or presents a brand new approach, your e book will usher in each site visitors and profits. So you should definitely write that promoting-handle sentence that sums up what drawback your book solves and what the advantages of your 715 ebook will probably be to the purchasers who purchase it.
