Start on the highest price the market will bear to usher in the largest earnings, and plan to low cost the ebook a variety of instances throughout the year.

As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

Another technique is to check out costs by making a number of duplicate gross sales pages with completely different prices on each page. Make certain your gross sales copy is exactly the same on every web page, and includes your promoting-deal with sentence. Then work out for each web page the conversion ratio between visitors to your website and gross sales of your book. This will let you know what your optimum value is.
