However the truth that unites ebooks and print books is that they are composed of ideas. It's the ideas in these books that have the ability to alter, or possibly remodel, people's lives.

What do you assume an concept is worth when evaluated in opposition to the cost of paper and ink?

It's the IDEAS that are priceless! That's how you decide the cost of your ebook.

What ought to I cost for my ideas?

There are all different formulation and strategies for determining the correct value on your ebook. Let's start with honing in on your ultimate goals.

Decide if your purpose is to get extensive distribution and maximum exposure. This aim is geared toward drawing customers to your corporation or service, or to establishing the credibility of your reputation. If that is your important purpose, you need to goal to maintain your price on the low side. Some authors have even priced their ebooks at a profit loss to draw a high number of new customers. Besides selling your books assiduously online, there are a number of other methods that may make it easier to promote more books.

One is to offer something away for free together with your book, corresponding to a priceless bonus item. Or bundle several ebooks below one worth, which lowers the worth for each e book in the event that they had been sold separately.

An efficient technique for determining a price is to send out a survey to your current customers. If these customers have already purchased an e-book from you, ask for their opinion in terms of price. Do that by making a gross sales page for the new guide, however do not include a price on that page. As an alternative, add various hyperlinks to survey questions that ask pointed questions to assist you in assigning a value to your ebook.

Another technique is to test out prices by making a variety of duplicate gross sales pages with completely different costs on each page. Be certain that your gross sales copy is precisely the

similar on every web page, and consists of your selling-handle sentence. Then determine for each page the conversion ratio between visitors to your site and gross sales of your book. This will let you know what your optimum price is.

Finally, if you've written a ebook that solves a drawback or presents a new method, your e book will herald both visitors and profits. So remember to write that selling-handle sentence that sums up what problem your ebook solves and what the advantages of your 991 e-book shall be to the shoppers who buy it. And then watch your market come to you!
